

Fundraising

Streamline your fundraiser campaigns with our donation widget and popularize your cause through the Internet to get a higher public response. Visitors can help you out by donating money using any of the available ways to process transactions - PayPal, Authorize.Net, bank account etc.

Product Highlights

Every cause or charity campaign nowadays just can't go without a proper publicity and both reliable and transparent donation tool.

Fundraising is a user-friendly web application enabling you to run and manage successful fundraising campaigns at an affordable price.

Anyone Can Donate

Easy and quick, the donation widget provides an accessible and secure way to anyone who wants to make donations

See How Funds Are Raised

Anyone can see information on how funds are raised and how many people have already supported your cause

Create Different Campaigns

With our PHP donation script you can create and manage unlimited fundraising campaigns devoted to various causes.

Get Higher Public Response

Increase your campaign visibility and attract more online supporters. Anyone can visit your website and make a donation.

Various Payment Methods

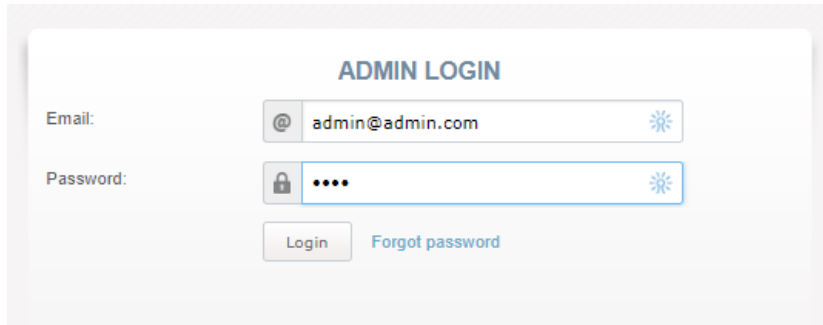

Users can choose their preferred payment method so everyone can donate money for your cause in the most convenient way.

Email Notifications

Customize the autoresponder messages which will be automatically sent to people who have donated money for your cause.

Screen 1: Login Page

Administrator can login by providing email and password who are already registered with the system. In case if the user has forgotten the password on clicking the “Forgot password” link password will be sent to the user’s email.

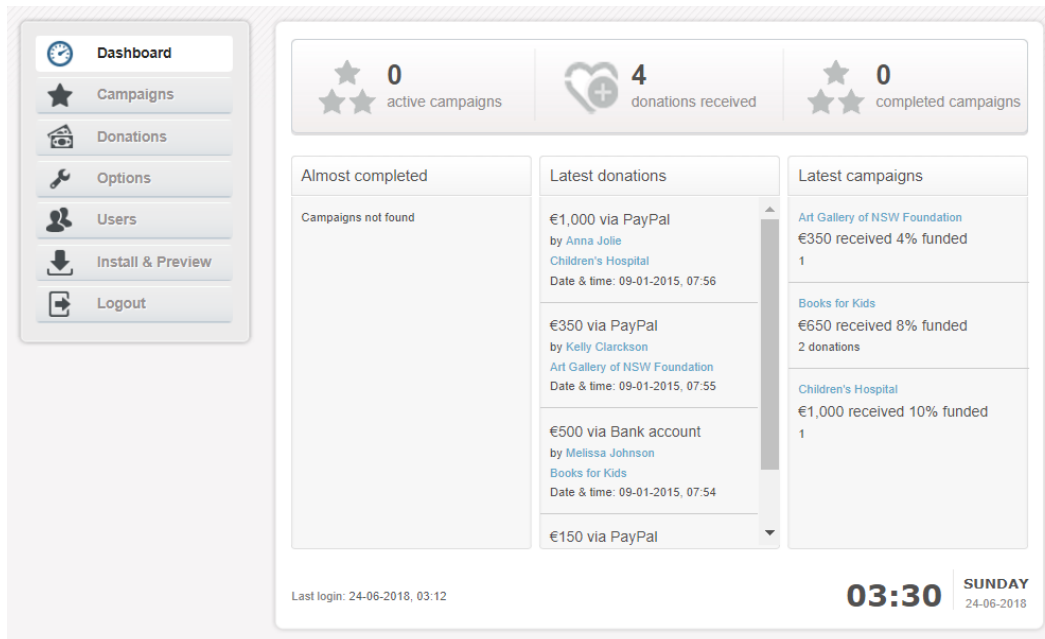

The Admin Login form is titled "ADMIN LOGIN". It contains two input fields: "Email:" with the value "admin@admin.com" and "Password:" with masked characters "••••". Below the fields are two buttons: "Login" and "Forgot password".

Screen 2: Landing Page

On successful login, administrator is redirected to the landing page as shown below.

1) Dashboard:

- a. Statistics of donations received, active campaigns and completed campaigns should be shown.
- b. Latest donations should be shown. Details should show the amount, payment method, for which campaign the payment was done and date of payment and the Customer name. Hyperlink is required for Campaign and Customer, clicking on them should take the user to detail page as explained later
- c. Latest Campaigns: List Campaign, amount received, % of amount funded and count of donations done to the campaign.

The dashboard provides a comprehensive overview of the system's status. It includes a sidebar with navigation links and a main content area with summary statistics and detailed lists.

Sidebar Navigation:

- Dashboard

Screen 3: Campaigns

This screen lists all the campaigns with details as shown below. Administrator can change the status of campaign, edit the details or delete it. Administrator can apply filter to select the campaign based on status.

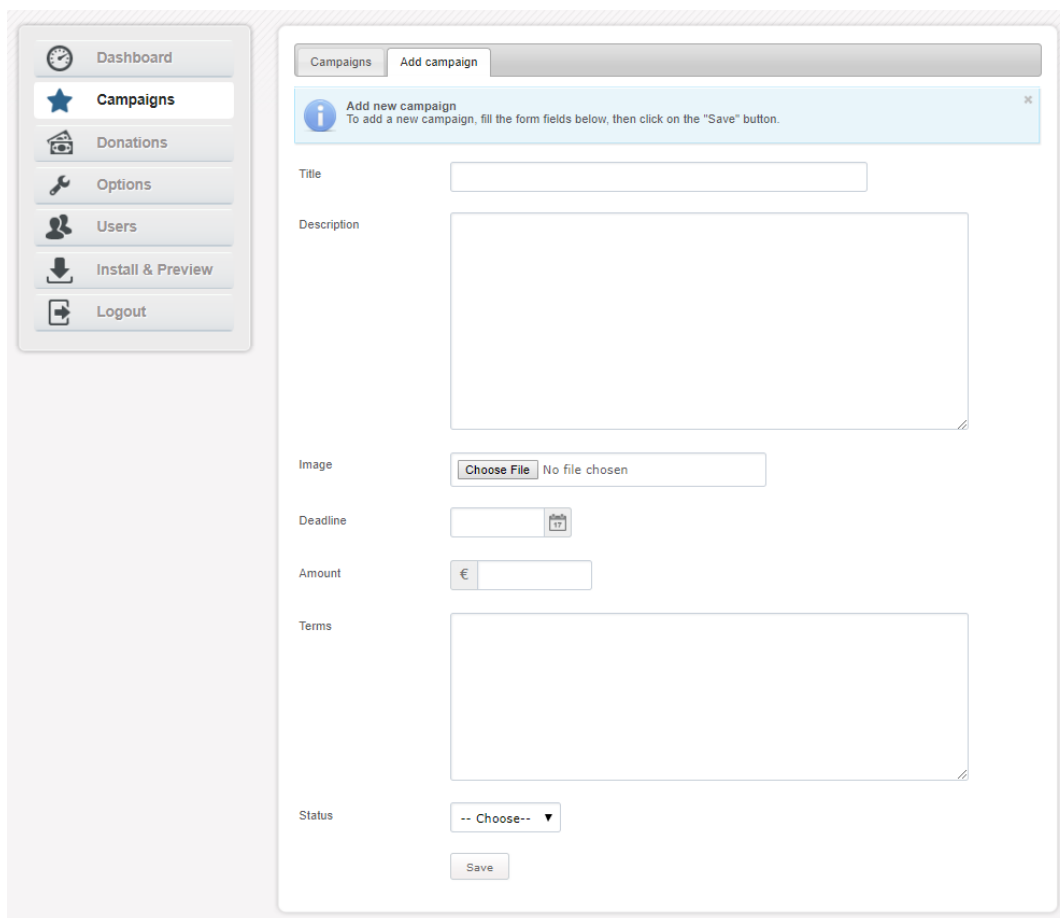

The screenshot shows the 'Campaigns' screen. On the left is a sidebar with navigation links: Dashboard, Campaigns (selected), Donations, Options, Users, Install & Preview, and Logout. The main content area has a 'Campaigns' tab and an 'Add campaign' button. Below this is an information box stating: 'List of campaigns. Below are all fundraising campaigns you have created using the script. To edit a campaign, click on the pencil icon at the right of the row.' There is a search bar and filter buttons for 'All', 'Active', and 'Inactive'. The main table lists three campaigns:

<input type="checkbox"/>	Title	Donated	Deadline	Status	
<input type="checkbox"/>	Art Gallery of NSW Foundation	€350.00 of €10000.00	01-06-2018	Active <input checked="" type="checkbox"/>	<input type="text"/> <input type="text"/> <input type="text"/>
<input type="checkbox"/>	Books for Kids	€650.00 of €8000.00	31-12-2016	Active <input checked="" type="checkbox"/>	<input type="text"/> <input type="text"/> <input type="text"/>
<input type="checkbox"/>	Children's Hospital	€1000.00 of €10000.00	01-05-2016	Active <input checked="" type="checkbox"/>	<input type="text"/> <input type="text"/> <input type="text"/>

At the bottom, there is a 'Choose Action' dropdown, 'Go to page: 1 1', and 'Total items: 3 / 10'.

Screen 4: Add campaign

Administrator can add a new campaign by providing the details as shown below.

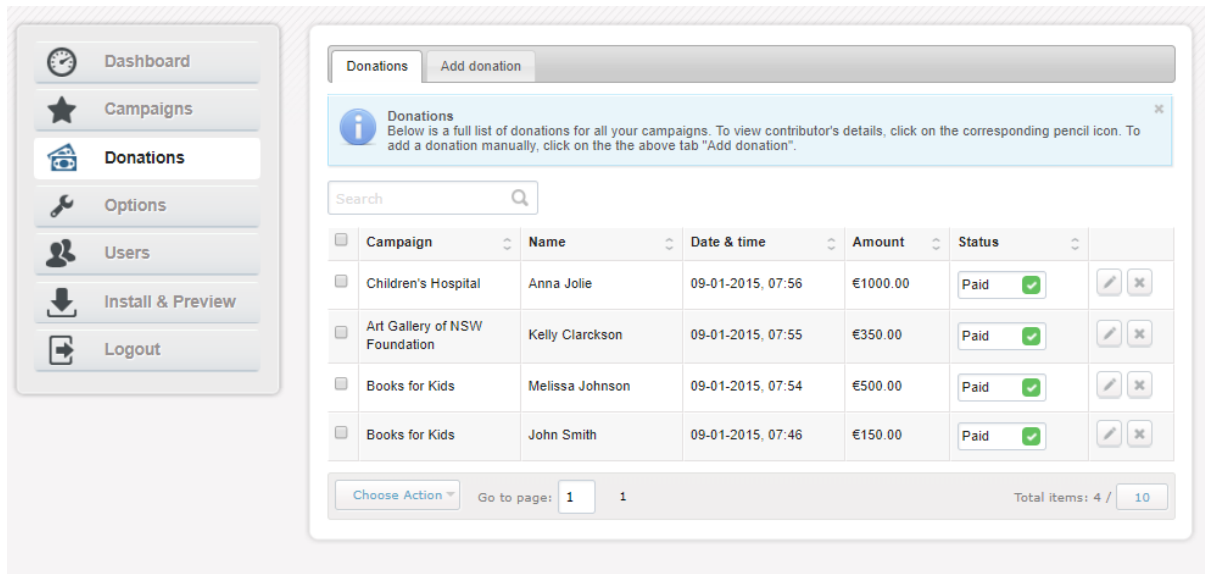

The screenshot shows the 'Add campaign' form. On the left is the same sidebar as in Screen 3. The main content area has a 'Campaigns' tab and an 'Add campaign' button. Below this is an information box stating: 'Add new campaign. To add a new campaign, fill the form fields below, then click on the "Save" button.' The form fields are:

- Title:
- Description:
- Image: No file chosen
- Deadline:
- Amount: €
- Terms:
- Status:
-

Screen 5: Donations

In this screen administrator can view the donation details

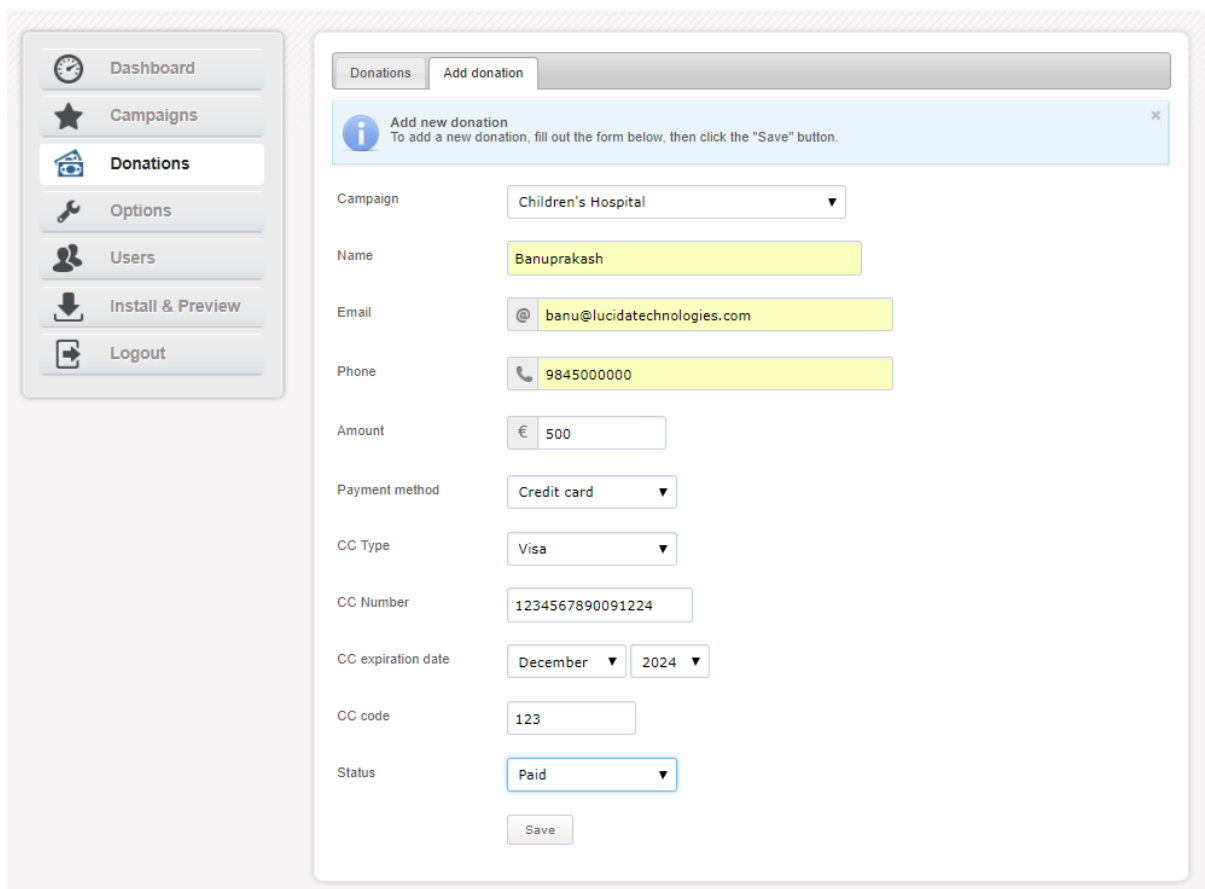

The screenshot shows the 'Donations' screen in an application. On the left is a sidebar with navigation links: Dashboard, Campaigns, Donations (selected), Options, Users, Install & Preview, and Logout. The main content area has a 'Donations' header with an 'Add donation' button. Below the header is an information box stating: 'Donations Below is a full list of donations for all your campaigns. To view contributor's details, click on the corresponding pencil icon. To add a donation manually, click on the the above tab "Add donation".' A search bar is present above a table of donations. The table has columns: Campaign, Name, Date & time, Amount, Status, and action icons (pencil and delete). The table contains four rows of donation data. At the bottom, there is a 'Choose Action' dropdown, a 'Go to page' indicator showing '1' of '1', and a 'Total items: 4 / 10' summary.

Campaign	Name	Date & time	Amount	Status	
Children's Hospital	Anna Jolie	09-01-2015, 07:56	€1000.00	Paid <input checked="" type="checkbox"/>	
Art Gallery of NSW Foundation	Kelly Clarkson	09-01-2015, 07:55	€350.00	Paid <input checked="" type="checkbox"/>	
Books for Kids	Melissa Johnson	09-01-2015, 07:54	€500.00	Paid <input checked="" type="checkbox"/>	
Books for Kids	John Smith	09-01-2015, 07:46	€150.00	Paid <input checked="" type="checkbox"/>	

Screen 6: Add Donation

This screen is required to add donation

The screenshot shows the 'Add Donation' screen. The sidebar is identical to the previous screen. The main content area has a 'Donations' header with an 'Add donation' button. Below the header is an information box stating: 'Add new donation To add a new donation, fill out the form below, then click the "Save" button.' The form contains the following fields: Campaign (dropdown menu with 'Children's Hospital' selected), Name (text input with 'Banuprakash'), Email (text input with '@banu@lucidatechnologies.com'), Phone (text input with '9845000000'), Amount (text input with '€ 500'), Payment method (dropdown menu with 'Credit card' selected), CC Type (dropdown menu with 'Visa' selected), CC Number (text input with '1234567890091224'), CC expiration date (two dropdown menus for 'December' and '2024'), CC code (text input with '123'), and Status (dropdown menu with 'Paid' selected). A 'Save' button is located at the bottom of the form.
